## MULTIPLE LISTING, RECOGNITION, VERIFICATION AND CLASSIFICATION DUAL AUTHORIZATION FORM

This form is incorporated by reference into the MULTIPLE LISTING, RECOGNITION, VERIFICATION AND CLASSIFICATION SERVICE AGREEMENT (the "Agreement") signed by the Multiple Listee and UL and is an integral part of the Agreement. This Multiple Listing, Recognition, Verification and Classification Dual Authorization Form appoints and defines the scope of authorization of the Authorized Multiple Listing Manager. The Authorized Multiple Listing Manager shall be authorized to make Multiple Listing requests according to the Scope of Authority mutually agreed to by the Applicant and Multiple Listee indicated below.

The Applicant hereby requests that UL permit the use of the Mark on certain Basic Products bearing the Multiple Listee's name instead of the Applicant's designated name, according to the terms of this Agreement. The Applicant and Multiple Listee agree that all requests pertaining to the UL Multiple Listing Files covered by this Dual Authorization Form (Multiple Listing requests) will be submitted to UL by the Authorized Multiple Listing Manager identified below. Both parties also agree that either party can withdraw this authorization at any time by sending written notice to UL and the other party.

The parties have designated only one of the parties to serve as the Authorized Multiple Listing Manager. If the Authorized Multiple Listing Manager is a company other than the Multiple Listee or Applicant, that company must be an Authorized Agent for either the Multiple Listee or the Applicant. To be considered an "Authorized Agent", a party must have an appropriate L-37 Agreement on file with UL. Authorized Agents are not permitted to sign this Dual Authorization Form on behalf of the Applicant to appoint the Authorized Agent as the Authorized Multiple Listing Manager.

THE PARTIES ACKNOWLEDGE AND UNDERSTAND THAT THIS AUTHORIZATION CAN GRANT SIGNIFICANT AUTHORITY TO THE AUTHORIZED MULTIPLE LISTING MANAGER. UL WILL NOT BE RESPONSIBLE IF THE ACTIONS OR DECISIONS OF THE AUTHORIZED MULTIPLE LISTING MANAGER ARE CONTRARY TO THE DESIRES OF ANY PARTY. The decisions of the Authorized Multiple Listing Manager shall be the sole responsibility of the Multiple Listee and the Applicant.

The Authorized Multiple Listing Manager shall inform UL in writing of the Basic Product by name of Applicant, name of product(s), and identifying catalog, model or other product designation, and specify the Multiple Listee's company name, the name of the product(s), and identifying catalog, model or other product designations for which the Service is desired.
