Please find attached the sample tag for the UL FUS sample which was recently selected.

- 1) You need to first download the attached file onto your computer.
- 2) Open the downloaded file on computer using any web browser.
- 3) Use the web browser to print the tag on your printer.

This tag should accompany the sample when you send it to UL for testing. Thanks very much for your help and cooperation.

Please contact your local field engineer with any questions.
